- Click on the word “Lesson” next each topic to read the information you will be questioned on.

- Assignment 2 and 4 have optional practice flash cards
- After you have done the reading, click on the title of the topic, for example “Scientific Investigations”. Alternatively, you can check a topic and click “Start Studying”
- You will see this screen

- You can choose to do either practice mode or game mode. It will take longer to do the game mode as questions are interspersed with games. Practice Mode is just the questions.
- If you end a study session before the 10 questions are up, it will restart you the next time you go back in. So, try to finish an entire set of questions in one sitting.
- Grades will be automatically delivered to your teacher on September 4th.
